Dear Ms. Dortch:

On December 22, 2011, Kathleen Q. Abernathy, Chief Legal Officer and Executive Vice President, Regulatory and Government Affairs, Frontier Communications, met with Zac Katz, Deputy Chief, Chief Counsel and Senior Legal Advisor to Chairman Genachowski.

The participants discussed the Commission's recent Order in the above-referenced dockets,¹ particularly the Phase I CAF component that the Order adopts.² Ms. Abernathy sought to understand the Commission's calculation of and eligible uses for Phase I CAF incremental support taking into account existing build-out commitments that resulted from Frontier's 2010 acquisition of territories from Verizon.³ Ms. Abernathy also sought further understanding of the method of distributing the Phase I support that the Wireline Competition Bureau will be adopting on or before March 31, 2012.⁴ Finally, Ms. Abernathy sought to understand the effect of the Commission's Order on access charges for calls that originate in TDM format and terminate as a VoIP call.

Pursuant to Section 1.1206(b) of the Commission's rules, 47 C.F.R. §1.1206(b), this letter is being filed electronically with your office today.
